

## ELECTRONIC FUNDS TRANSFER AUTHORIZATION

### Electronic Funds Transfer

The Electronic Funds Transfer (EFT) payment plan offers you the convenience of having your insurance premium payments automatically deducted from your checking or savings account.

### The Electronic Funds Transfer Payment Plan Offers Many Benefits...

- No checks to write
- No stamps to buy
- Payment is always on time / avoid late charges
- Service charge savings compared to direct bill
- Easy to enroll
- Your information is kept private and secure
- Choose a payment date convenient to you

### Here is How the Electronic Funds Transfer payment Plan Works...

With EFT, your bank account will be debited once per month if you select "monthly"\* or once per policy term if you select "pay in full"\*\*. **We will send you a notice before we make the first deduction from your bank account.** We will also send you advanced notification if the amount to be deducted changes. Note that this is a recurring authorization and will continue for future policy terms unless and until you provide Travelers with notice of cancellation.

\* Monthly deductions will include premium payments and applicable service charges. In most states, the service charge for the monthly EFT payment plan is \$1.00 per installment. Please refer to the Important Notice about Billing Options and Disclosures provided to you in your policy package for a listing of all of your billing options and applicable charges.

\*\* Please note that your bank account will be debited once per policy term unless you make changes to your policy that causes an increase in your premium. We will debit your bank account for those charges after providing you with advanced notification.
