

Make your life simpler...with Providence Mutual's EFT program Electronic Funds Transfer – It's as easy as 1,2,3

Save up to \$50 a year on your insurance by eliminating billing service fees. Stop the monthly bother of remembering to make your home, car, or business insurance payment. Avoid the chance of missing a payment and having your policy cancel. Sign-up now for Providence Mutual's Electronic Funds Transfer (EFT) program.

To register, simply complete the attached EFT authorization form and attach a voided check or deposit slip. You may give the form to your agent or return it with your current payment (banks require original signatures so email or fax copies are not acceptable). Upon receiving your information, we will arrange with your bank to automatically deduct your monthly payment from the bank account you have specified.

The EFT bill plan includes 10 equal installments. We will send you an EFT Notice of Transmittal showing the monthly amount to be deducted from your account prior to each installment. You can select the 5th, 15th, or 25th of the month for your payment to be withdrawn from your bank account – it's up to you. If your selected payment date falls on a weekend, your payment will be deducted on the next business day. You will be able to verify the deduction on your monthly bank statement.

If you receive a paper bill after signing up for EFT, please continue to pay the paper bill. Processing and set-up time with varies by financial institution, and it may take 2-4 weeks to establish the EFT account. We require 30 days notice to make changes to your bank account information or to terminate EFT withdrawals.

If you have any additional questions, visit us at www.providencemutual.com, contact your independent agent or call our Customer Service Department at (877) 763-1800.
